

If this is your first time here, read through the following four steps to understand how the online donation process works.

If this is not your first time, just go ahead and click on the button below to get started.

FOUR STEPS TO MAKE AN ONLINE DONATION

- 1.** Click the DONATE button. PayPal provides a secure & safe environment for your donation.
- 2.** If you have a PayPal account, you will be asked to log into PayPal. If you don't have a PayPal account, you enter all your payment information on a web page protected by PayPal. (see note)
- 3.** Review and complete your donation on PayPal's website.
- 4.** Once completed, you will return to our website to either a "Thank You" page or a "Cancelled" page.

You can cancel the donation prior to completing it on PayPal's website. For more info or if you have a question call Joan 218-829-5147.

******You do not need a PayPal account to make a donation. You can make a donation with your credit or debit card — without having a PayPal account.

AFTER clicking on the **DONATE** button, look for the ***Don't have a PayPal account?*** in the lower left corner of the page and click on "Continue" to make a donation without a PayPal account.
